ANNUAL E-GOVERNANCE REPORT

2022-23

E-Governance has revolutionized educational administration, employing a data-driven model that streamlines processes, ensuring ease, organization, and error-free operations. This transformative system prioritizes user-friendliness, time efficiency, and cost-effectiveness. It enhances transparency, expedites information dissemination, and elevates administrative efficiency and public service across educational domains.

This year, our institution successfully implemented various services in collaboration with the Commissionerate of Collegiate Education, utilizing resources collaboratively. These services, accessible through the affiliating university web portal and APSCHE, include C-Mapp for Teaching Learning Process Monitoring, A-Mapp for continuous internal assessment, I-MAPP for Internship Monitoring, SIMS/FMAPP for Student Information Management & Fee Payment, FRAMS for Face Recognition Attendance Management, APFRS for Staff Attendance, and G-MAPP/e-CEGRAM for addressing grievances from students and staff. This concerted effort marks a significant stride toward modernized and efficient educational governance.
