#### **6.4.1 - Institutional strategies for mobilization of funds and the optimal utilization of resources**

**The major sources pooled up from the following resources:**

- 1.UGC
- 2.APCCE
- 3.RUSA
- 4.Special fee
- 5.CPDC.
6. Philanthropists
- 7.Alumni Association
- 8.Faculty and other resources

The institution submits its required financial proposals to the UGC and to RUSA for additional grants under various schemes.

After receiving the grants, the Principal consults the Finance Committee, the Purchase Committee, UGC Committee, RUSA Committee, and the College Office staff to take an appropriate decision in disbursing the amount to the required departments. In this case, the Principal being the disbursing officer meticulously follows the established procedures for disbursing the amount.

The **institution utilizes** its resources for construction and upgrading infrastructure requirements. The college expenditure is spent on the addition and up-gradation of the capital assets like computers, ICT-enabled teaching aids, laboratory equipment, apparatus, such as other assets. A balance sheet of the college gives an idea about the expenditure incurred on purchases. The office obtains Utilization Certificates for the expenses incurred in this regard.

In order to ensure transparency in the utilization of the financial resources of the college, the accounts of the college are being **audited** regularly and the same is submitted for verification to the audit teams from RJDCE and the Auditor General of A.P during their visit for inspection to the college.

Lr. No. B3/Audit/2022

Dt: 18/09/2022

Sir,

Sub:- Accounts Branch - O/o the Commissioner of Collegiate Education – Request to conduct Audit on Accounts of the Government Degree Colleges - Reg.

Ref:- 1. G.O. Rt. No. Ms. No. 42 (HE) Department dt 10.08.2021

\*\*\*\*\*

While inviting the attention of AG, AP to the reference cited, it is informed that, the Government have issued orders prescribing policy for takeover of voluntarily willing private aided colleges including minority colleges by the Government and also absorption of willing staff working in private aided colleges into Government with due concurrence of the Finance Department (Copy enclosed). Accordingly 'n' number of Private Aided Colleges have been absorbed into Government sector. Some of such colleges are wholly absorbed into Government and some have surrendered their staff into Government sector. Again certain Private Aided Colleges which have been absorbed are again repatriated into Aided Sector and running as Private Aided Colleges. By these changes major modifications have been occurred both in administration aspect and in financial matters in Government Degree Colleges.

In view of the above it is opinioned that, all these colleges including existing Government Degree Colleges needs thorough verification and auditing of records. On verification of our records it is observed that previously our colleges are audited during the financial year 2018-19. For the financial years 2019-20, 2020-21 & 2021-22 Accounts and Finance of the Government Degree Colleges have to be audited.

In the above explained circumstances the AG, AP, Vijayawada while forwarding the list of Government Degree Colleges spread all over the State of AP in 26 districts, it is requested to conduct regular audit, so as to enable us to keep record accurately.

Yours faithfully,

Dr Pola Bhaskar I A
